Hi Having some issues since yesterday with running acestreams through phoenix, Have noticed that i get no game listings inside acestreams sports or acestreams football? Both are empty with no links.. And when you find a random movie in a category to try it's empty as well Looks like this awesome folder might not be so reliable as was hoping for.. Close to the same time as last night it's doing the same thing Search pulls up empty along with a lot of the categories empty.. Which is why I'm curious to try out the kisscartoon add on I wonder if it's just me, but cartoon crazy is still down..
